Subject: AM2019/1 Application by Viterra to vary the Viterra Bulk Handling & Storage of Grains Pulses and Minerals Award 2015 [ME-ME.FID4446318]

Dear Associate

I refer to the directions hearing held on Friday 25 January 2019.

I am instructed Mr Duignan has contacted Ms Gilbey of Viterra this morning and indicated that the CFMMEU has no objection to the application.

My understanding is that both unions consent to the application. On that basis, the company asks that the application be dealt with by a single member with a minimum of formality.

I have copied in the representatives to this communication.

Yours sincerely
