Dear Commissioner

RE: AM 2014/281 – PROFESSIONAL EMPLOYEES AWARD 2010

Further to the Conference which took place on 19 July 2017.

I note the subsequent correspondence from Mr. Smith of the AI Group dated 2nd August 2017.

This correspondence outlines the position of the AI Group in respect of the outstanding technical and drafting issues.

Firstly, reference is made to the exhibit tabled by APESMA at the 19th July Conference. In respect of Item 10, APESMA confirms that the relevant category in clause 2.4(b)(iii) for the Australasian Institute of Mining and Metallurgy should be “Member” and not “Associate Member”.

Secondly, in respect of the Exposure Draft – Professional Employees Award 2016, dated 17 July 4 the AI Group propose several amendments.

APESMA concurs with the position outlined by the AI Group as representing the agreed position between the parties.

Yours sincerely
