Dear Associate,

We write on behalf of United Voice, HSU and ASU (the Unions). We refer to matters AM2014/285 and AM2016/24. We note that matter AM2016/24 has been referred to Deputy President Booth for conciliation in the course of the conciliation of AM2014/285.

We understand that some parties may make a request to discuss AM2016/24 before AM2014/285 proceeds any further. The unions respectfully request that conciliation of matter AM2016/24 be deferred until after the conciliation of AM2014/285. We believe that the discussions in AM2014/285 are productive, and we believe that further progress would be hindered by an interruption of this process.

Yours sincerely,

**Michael Robson**
