Dear Parties

Deputy President Booth has asked me to respond to Michael Robson's email sent to the Deputy President around 3pm today, Monday 12 September 2016.

Mr Robson said:

We understand that some parties may make a request to discuss AM2016/24 before AM2014/285 proceeds any further. The unions respectfully request that conciliation of matter AM2016/24 be deferred until after the conciliation of AM2014/285. We believe that the discussions in AM2014/285 are productive, and we believe that further progress would be hindered by an interruption of this process.

The Deputy President confirms that AM2014/285 proceeds at conciliation tomorrow. The Deputy President has noted the unions' position and if anything arises she will ask to hear from all parties on the issue.

Regards
