Dear AWU,

I refer to the above matter which was listed for conference before Commissioner Lee on 16 December 2016 and 6 February 2017.

It is noted that the AWU have not appeared at either of the abovementioned conferences. The Commissioner has noted that the only outstanding issues are the AWU claims at item 13, 24 and 42.

The Commissioner has asked that the AWU please advise whether they seek to press these claims **by close of business Friday 10 February 2017**.

Kind regards,
