Dear Vice President Hatcher

**Re: AM2014/286 – Supported Employment Services Award 2010
Release of the ARTD Report**

We refer to the above and your email dated 1 December 2017. It is understood that the Full Bench determined that the NDS may provisionally rely on the ARTD report. In order to properly consider what position will be taken by AED Legal, we request that the report be made available for inspection and that there be an order that AED Legal be able to use the report for the purposes of the proceedings.

We note that other parties have referred to the ARTD report as well as its corresponding data and documentation. For example, the Endeavour Foundation, ABI and NSW Business Chamber all refer to the Elouera and Endeavour submissions in the MSWS Trial. We are unable to appropriately respond to these submissions unless we have access to the report and use them for the purposes of the proceedings.

Consequently, we request that Vice President Hatcher reconsider the release of the 2015 'Observational Study' reports as well as the 2017 Modified Supported Wage System Demonstration report, as we have requested on numerous occasions.

If you have any queries in relation to the above, please email us at noni.lord@aed.org.au or leave a voicemail message on (03) 9639 4333 with some convenient times for us to return your call.

Yours sincerely
