Subject: AM2014/286 Request for an extension of time

Dear Associate,

Further to our call this afternoon, we are assisting the Endeavour Foundation with its materials to enable them to oppose a variation to the Supported Employment Services Award 2010.

We note that Directions issued by his Honour require the material to be filed by 4pm today.

We are in the process of finalising those materials and anticipate that they will be finalised and filed shortly. However we are unlikely to have the materials finalised by 4pm and therefore we request an extension of time until 9am tomorrow morning, anticipating that the materials will be filed later this evening.

If you could please place our request before his Honour for his consideration.

Regards,

Claire
