Dear Ms Wilson,

**RE: Supported Employment Services Award 2010
Four Yearly Review of Modern Awards - Matter No. AM2014/286**

I refer to your correspondence of 15 October 2018 regarding the AED's request for an adjournment of the hearing in matter AM2014/286 on 5 and 6 November 2018. I understand you wrote to Vice President Hatcher regarding this request on 11 September 2018 and 2 October 2018.

Vice President Hatcher is currently on leave and returns to work on 22 October 2018. As the Vice President is the presiding Member in this matter, it is not appropriate for me to make any comment on AED's adjournment request. Your correspondence will be provided to the Vice President for his urgent attention upon his return from leave.

Yours sincerely

JUSTICE IAIN ROSS AO
President
