Subject: AM2014/231 - Horticulture Award 2010

Dear Sir/Madam,

AM2014/231 – Horticulture Award 2010

I refer to the 30 October 2017 decision of the Fair Work Commission on technical and drafting issues in Group 3 awards, as part of its 4 yearly review of modern awards. At paragraph 227 of that decision AFEI was asked to confirm its position in relation to Item 27 of the revised summary of submissions for the *Horticulture Award 2010* (published 10 October 2017).

AFEI does not support the proposal put forward by the National Farmers' Federation, which is a significant departure from the terms of the current award. The matter is not a technical or drafting issue and should be pursued as a substantive change.

If you have any questions please feel free to contact me.

Kind regards,

Kieran Jack | Workplace Relations Adviser
