Subject: AM2016/10 Gas Industry Award 2010 - request for relisting

Dear Associate,

We refer to the above matter, which has been listed for conference before Commissioner Cambridge on 19 May 2016 at 10am for the purposes of discussing a substantive variation sought by the AWU to the *Gas Industry Award 2010*.

Earlier today we received notification from the Commission that five modern awards allocated to group 3 of the award stage of the 4 Yearly Review have been listed before Commissioner Roe at 11am on the aforementioned date. The Australian Industry Group has a significant interest in the awards there listed.

In light of this, we respectfully request that the conference before Commissioner Cambridge be relisted for 9.30am on 19 May 2016, subject of course to the Commissioner's convenience and availability. We understand that the AWU does not oppose our request.

We thank the Commission for its assistance with this matter.

Kind regards,
Ruchi.
