Subject: RE: AM2016/25 - Horticulture Award 2010

Dear Commissioner,

I refer to the above proceeding and the directions issued on 12 September 2015.

The NUW and AWU respectfully request an extension of time to file its materials in relation to the application by Mitolo and others from 7 April 2017 until 21 April 2017. We request that this extension be granted in relation to all parties who are otherwise required to file their materials by 7 April.

The NUW will not be in a position to file its materials on 7 April 2017. If the extension is granted, our materials will be filed on 21 April 2017, approximately 2 months prior to the first hearing date on 20 June 2017. On this basis, we believe it is unlikely that granting the extension will prejudice the proponents of the application or the other interested parties.

We have contacted the parties involved in this proceeding and have been advised that the following parties do not oppose an extension 7 April 2017 until 21 April 2017:

- Mitolo Group Pty Ltd and Maranello Trading Pty Ltd;
- AI Group;
- The NFF;
- Voice of Horticulture; and
- Potatoes South Australia.

Sincerely,
