Subject: AM2020/24 Educational Services (Teachers) Award - Request to reschedule today's directions hearing

Dear Associate

On behalf of all parties we request an adjournment of today's directions hearing to a day later next week. In order to try and resolve this issue without further proceedings the parties have commenced a process of negotiation. Should an adjournment be granted it is possible the matter may be able to be settled, at least to the point of the parties putting a common position to the Commission.

Regards

Anthony Odgers
